ORDER

The Principal Secretary to Government (PE) School Education Department reviewed the functioning of the KGBVs in the State under the Control of APREIS in her chambers on 7/7/2011 along with the officials of SSA, Secretary, APREIS and Director, A.P.M.S.S. During the review it was observed that though Government is providing budget for vocational training in KGBVs regularly yet the same was not utilized due to non conduct of vocational activities consequently, the budget allocations are lapsing every year without progress.

2. After careful consideration of the issue, Government observed that there is lack of skilled men for training in vocational courses to the students hence, it was decided to utilize the services of NGOs and entrust the conduct of vocational education to the children of KGBVs to APMSS in 14 districts which is already working in the NPEGEL programme.

3. The Secretary, APREIS, is directed to take necessary action for entrusting the training in vocational courses to the children of KGBVs to APMSS accordingly.
